CLASSES, EXHIBITS & EVENT NEWS

In the first week of January we are hosting the Cat Guardians' Annual Auction.

Cat Guardians is a no-kill, cageless shelter for cats in Lombard, IL. For over 30 years, they have matched abandoned and stray street cats with loving families, and provided a permanent home for cats that have not been adopted due to age, medical conditions or socialization issues. They are funded entirely by your generous donations and staffed entirely by dedicated volunteers.

You can visit NAL 01/03-07/2023 and see the cat related art in person during open business hours.

FEATURED TEACHER

Carmelo Schifano immigrated to Chicago in the late 1950s where he attended Chicago public schools and graduated from Tilden Technical High School, majoring in wood-working and Architectural Drafting.

The Sicilian born artist later found his love for teaching and became a Chicago vocational instructor specializing in Art, Design, Drafting, Woods, Carpentry and Furniture Design.

With over 35 years of experience in the field, Carmelo continues to teach professional watercolor and drawing classes to several local groups while continuing his own art experience by taking workshops with nationally renowned artists.

In addition, he devotes one day a week to a small Catholic school on the southeast side

of Chicago where he conducts various art activities.

Carmelo's work has shown in many local galleries and was accepted in the 27th annual Illinois Watercolor Society Show 2011.

He continues to inspire potential students by giving live demos for various groups and also serves as a judge for numerous art organizations.
