

## January 2021 Newsletter

Welcome to the New Year!

The Naperville Art League was organized, then chartered in 1961 - and we are going to celebrate NAL's 60th anniversary this year. We prepared for you not just one, but two Public Art Competitions (one in **March ("Abstract Symphony")** and one in **October ("In Focus")**), an Annual Art Auction (in April), there will also be an **On-line competition**, which will be publicized nationwide. We also want to introduce to you our oldest serving members from the sixties and seventies, who are still participating in our monthly member shows.

You can be part of this celebration by becoming a member and taking advantages of many perks that NAL offers, such as:

- free** participation in the prestigious **Main Street Promenade Program** (non-members \$25/artwork)
- exhibit your original art in our gallery (up to 2 pieces per exhibit)
- be eligible for monthly awards
- offer small art for sale in the gift shop
- be notified of commission opportunities
- participate in programs and demos
- apply to Riverwalk Fine Art Fair with no jury fee
- sell fine art & crafts in Holiday Show
- participate in off-site exhibit programs ([Art Around the Town](#))

Have a Joyful and Jocund January,  
NAL
